

## EASTER LILY MEMORIALS & TRIBUTES

St. Bernardines Parish invites you to make a gift of an Easter Lily plant this Lenten season dedicated to the memory of or in thanksgiving for loved ones. Lily plants will adorn our worship space on or before April 7, 2023 through April 17, 2023. A contribution of \$18.00 per plant or more is asked for each tribute. Note: there are eight larger lily plants also available at a cost of \$25.00 each (*first come, first serve*). Any funds received in excess of actual costs will be put towards the church environment.

If you wish to pick up your lily plant after April 17, 2023, please check the box below. We will do our best to have a plant(s) available to you; however it is not guaranteed as these are live plants and lilies tend to be fragile. Plants will be given away on a first come, first serve basis of when the forms and payments are received.

Please mail, bring in, or drop in the collection baskets this completed form along with payment to the church office by March 24th. You may also do an online donation through our parish website at [www.stbernardine.org](http://www.stbernardine.org). Please go to Online Giving and select: Easter Lily

Contribution enclosed: \$ \_\_\_\_\_ (*\$18.00 regular plant; \$25.00 for 1 of 8 larger plants*)

Please make checks payable to: **St. Bernardines**

Would you like to pick up your Easter Lily after the Easter Season, *if available*?  Yes  No
